This year marks the 100th anniversary of the beginning of Art, at what is now Swan TAFE's Midland campus.

We have come a long way from the days when Swan TAFE was known as Midland Junction Technical School.

Our past and present students, lecturers, the arts community and public have been invaluable to Swan TAFE's success.

It is for this reason we invite you to celebrate with us the journey of the last 100 years. As we open our doors to you, we hope you enjoy viewing the exhibition of works from our college collection, past and present students and staff.
